Dear Bayside Parents,

Please consider encouraging your child to compete on the Bayside Middle School Forensics Team. Students compete in a variety of public speaking categories at local tournaments. Successful participants may qualify for the State Tournament in West Bend. For more information, please see wfcaforensics.org.

Our team will meet for practices on Tuesdays and Thursdays after school until 4:30 p.m. Our first team practice will be January 8.

We need parent participation for this activity. First, you will need to encourage your student to practice. Second, you will also need to volunteer your time for practices and/or tournaments. We rely on parent volunteers to run our festivals and tournaments. We need at least one volunteer judge for every five student entries.

All parents who judge presentations must complete a brief training session in order to ensure fairness and quality feedback for students. We will be scheduling a fun, informative two-hour training course during the third week of January. The training session will be scheduled to accommodate as many volunteer judges as possible.

Thank you for your considering this very worthwhile program. Please complete the permission slip. If you have questions, please do not hesitate to contact me.

Very truly yours,

Michael D. Stotler
