Junior Knights Day Information Letter

December 17, 2018

Dear Parents and Guardians,

Your student will soon be a Nicolet Knight! Welcome! The Nicolet learning community is extremely excited to work with our new students and families. We know it seems a bit early, but we would like to help you and your student get a head start on the transition to Nicolet High School.

If you have not completed online enrollment and residency verification, please complete by Friday, January 4, 2019. This will allow your student to meet with his/her counselor and discuss his/her Academic and Career Plan (ACP), including course selection, on Junior Knights Day. ACP is an individual plan for each student that is created and reviewed by students, families, and school staff. ACP uses students’ strengths, interests, and post-secondary goals to build a comprehensive plan for each student. A student’s ACP helps to guide course selection and connect students to clubs and experiences, while in high school, that set them up for postsecondary success.

In February, incoming 9th grade students (Junior Knights) will be attending a “Junior Knights Day” at Nicolet High School to participate in the following:
- academic counseling to discuss your student’s Academic and Career Planning,
- reading and math assessments (components in determining course recommendation and academic supports),
- a tour of the school and panel discussion with current Nicolet students, and
- lunch. Pizza will be provided. (Please contact Sandy Couch @ 414-351-7532 to coordinate for special dietary needs and to communicate about student allergies.)

This great opportunity for our Junior Knights will take place during the school day with their entire 8th grade class and teachers.

We have a shared commitment to provide an excellent education for every child, in every classroom, every day. The Nicolet learning community looks forward to cultivating this partnership with you over the course of your child’s high school career. To help parents in their transition to Nicolet, we encourage you to attend the Nicolet Parent 101 series. Our next session is scheduled for the evening of January 30, 2019 (see attached flyer for additional dates and times).

Thank you for your commitment and support.

Yours in Education,

Greg Kabara, Ph.D.
Principal
Nicolet High School
