

Nicolet Recreation Presents STEM Specialty Day Camps – Summer 2024

THE SCIENCE OF SLIME!

ACTIVITY# 312140-01

MONDAY, JULY 22, 2024: 8:30 AM – 4:30 PM

We'll set up the Mad Science Lab for Jr. Scientists to mix, brew and mush up several batches of Slime!! That's right; this 1 day camp is all about creating gooey globs of fun, better known as slime. With the help of Mad Scientist instructors, Jr. Scientists will get to whip up several different slime recipes and spend the day learning about polymers. Glitter Slime, glow in the dark slime, orb slime, the possibilities are endless as kids experiment at our Slime Bar and create 3 different kinds of polymers. Jr. Scientist will also test their slime creations in a series of fun games and activities known as the Slime Olympics!

MAD SCIENTIST'S LABORATORY!

ACTIVITY# 312140-02

TUESDAY, JULY 23, 2024: 8:30 AM – 4:30 PM

Welcome to the Mad Science Lab – wherever you are! Campers will spend the day learning all the tricks of the trade with a real Mad Scientist! They will learn about physical and chemical reactions that they might encounter in their daily lives. Jr. Scientists will learn to swirl, pour, mix, and shake like a true scientist! They will see reactions in action as they conduct their own experiments with labware, chemistry, and states of matter. The fun and learning will extend beyond the Mad Science Lab when they take home their own Graduated Gear and other items!

MAD SCIENCE ROBOT INVASION!

ACTIVITY#312140-03

WEDNESDAY, JULY 24, 2024: 8:30 AM – 4:30 PM

Explore the basic and complex technology used to design and build robots. Discover how machines and robots work and how they can make our lives so much easier! Learn about simple circuits, motor principles, and make your own Robo-Hand to take home! Jr. Scientists will love experimenting with the many robots we bring along!
